## Fit-out Multiplex Cinema - The O2

Bridgford were approached in 2006 to tender the fit out of a new multiplex cinema inside The O2.

The Entertainment District will surround the O2 Arena, in a street as long and wide as Bond Street and will occupy 60% of The O2' floor space. It will be open day and night and is destined to become one of London's favourite entertainment destinations.

The centrepiece of The O2 will be Europe's finest indoor music and sports venue. The O2 arena will attract global stars and events to The O2, including 2012 Olympic events.
