Fit Out of New Home Store

With a plan to open more new stores and refurbish their existing portfolio throughout the UK, BHS chose Bridgford Interiors to fit out their new store at Cheltenham.

- BHS is part of the Arcadia Group which owns seven of the high street's best-known and most exciting fashion brands and shopping concept Outfit, each with its own distinctive identity and market segment.
- British Home Stores Limited (trading as Bhs) is a British department store chain with 180 branches throughout the UK mainly located in high street locations, primarily selling clothing and household items such as bed linen, cutlery, crockery and lighting.
- The Arcadia Group brands trade from over 2,500 outlets in prime locations on high streets and in shopping centres across the UK as well as via numerous concessions within Debenhams department stores.
- The 8 week project saw the construction of curved walls, bespoke ceiling features, 900mm ceramic flooring, a clean and contemporary cafe fit out together with distinctive signage with associated concessions for other Arcadia group brands
