Fit Out of New Electrical Store

A new relationship with American Retailer Best Buy to fit out their 3rd store in the UK at Merry Hill in the Midlands.

- Since its inception in 1966, Best Buy Co., Inc. has grown steadily and enhanced its business through inspired innovations. Continually transforming into a dynamic, customer-driven, talent-powered company that focuses on enhancing their customers' enjoyment of technology.
- With operations in the United States, Canada, Europe, China and Mexico, Best Buy is a multinational retailer of technology and entertainment products and services with a commitment to growth and innovation.
- The Best Buy family of brands and partnerships collectively generates more than \$45 billion in annual revenue.
- You'll find all the latest and greatest technology, switched on and ready to test drive, with a new level of advice and support. Blueshirts undergo intensive training at a dedicated academy. They can show how products work – and how they can work together – to help make life easier, more connected and more filled with entertainment.
- As Principal Contractor Bridford Interiors were responsible for the complete fit out of the developers shell.
