## Fit out of New Stores

A programme of work developed from a long standing relationship.

- Cotswold Outdoor started life in 1974 as Cotswold Camping. The company premises consisted of a small outbuilding in the Cotswolds, from which the founders sold a range of basic camping accessories.
- Who would have thought that over 30 years later, they would be a multi-award winning retailer with numerous thriving stores located nationwide.
- Stocking one of the most comprehensive ranges of outdoor clothing and equipment in the UK.
