## Fit Out of new store

With a plan to open more new stores throughout the UK, Homesense chose Bridford Interiors to fit out their new stores.

- Homesense is an edge of town retail format launched by TK Maxx in 2008 and is a proven format for parent company TJX in both the US and Canada offering quality and brand at discounted prices.
- The company currently operates only 20 stores but has plans to expand the format.
- From a style perspective you can find everything from contemporary to classic - the product offer comprises glassware, table top, wall decor, bathrooms, kitchen and gourmet food.
- Bridford have been involved with TK Maxx in the UK since 1999 and have completed in excess of 100 projects
