High Street Refit (Multi-Site)

Bridgfords were approached by Index at the Retail Interiors Show at Earls Court in 2004 and were given the opportunity to tender for the concept refurbishment of 2 stores in Liverpool and Bury

Acting as Principal Contractor Bridgfords were also responsible for all statutory consents and landlords approvals.

Bridgfords were also allocated the design and fit out of the new standalone store in Manchester.

Unfortunately Index went in administration in 2005, however Bridgfords went on to carry out refit works for holding company Littlewoods prior to their demise from the high street.
