Refit (Multi-Site)

With a continuous rolling programme of improvements Lunn Poly chose Bridgford Interiors to update their high street stores.

Acting as Principal shopfitting contractor Bridgfords have provided both fit-out and construction expertise to facilitate this programme.

Small high street units have been re-branded to the new corporate fascia whilst taking the opportunity to introduce travel bureau where possible.

As a result of performance Bridgfords were successful in securing the role of principal contractor for a handful of new standalone stores the most recent in Birmingham's' Bullring and Bournemouth Castle Point.
