Fit Out of new store - Aldersgate

Bridfords were approached to tender the fit out the new store at Aldersgate by Chris Folland. Previously at TK Maxx, Chris has worked with Bridford for over 10 years.

- Pret first opened in London in 1986.
- Using natural ingredients and avoiding preservatives and obscure chemicals is sacred to Pret. Their sandwiches are freshly made throughout the day in each and every Pret kitchen. This fact is (partly) what makes Pret special. They make them, they sell them!
- They plan to develop slowly, one shop at a time. There are about 225 Pret shops at the moment. Most of them are in the UK.
