

Retail	Fit out of Car Hire Facility				
	<p>In 2013 Bridgford Interiors were approached to tender the fit out of the Hertz Global Flagship concept car rental facility in London's Marble Arch.</p> <p>Hertz is the world's largest car rental brand operating from over 10,400 locations across 150 countries</p> <p>The branch has been designed to enhance the car rental experience through the use of integrated touch screen technology in a bright and welcoming environment, whilst showcasing a selection of the super-cars currently on the market.</p> <p>The refit of the existing space saw a complete strip out, structural design and works to facilitate the cars to be winched onto a display platform and even distribution of load over 'clay pot' floor, re-sizing of stair landing, followed by new wall, ceiling and floor finishes. Back of house and car parking facilities were also enhanced in this location.</p>
