Further to completion of 3 projects for this prestigious brand in 2013 Bridgford Interiors were once again appointed for the fit out of this 4th store in on Sloane Square in 'Little New York'

Located opposite Peter Jones, the new space takes up 4,500ft² and houses the labels womenswear, menswear, accessories and footwear collections.

Set over 2 floors, the wood paneling and large oak staircase makes for a relaxed environment.

Continuing the excitement and expectation of earlier schemes - during construction the façade was covered completely in plants forming an urban 'superhighway' for bees!
