Coffee Shop

Bridgords have worked with Costa Coffee since 2018 as Principal Contractor across their new store opening and Re-Image programmes.

As a client Costa (Coca-Cola) seeks to invest in continual innovation to ensure it maintains and grows its customer base providing a great store experience for customers while at the same time providing efficiency of the store operation

With customer touch points, including the less obvious such as toilet signs and window privacy glass, to make the store feels much cleaner, more relaxed and easy to navigate.

Works involved adapting flooring to suit new layout, back bar tiling, counter cladding, new furniture and decoration throughout to provide consistent brand colour application and visual simplicity across the estate.
