

# Management Controls at My Business

This report gives you an overview of the management controls at your business. Scores are based on your answers to the Self-Assessment Questionnaire (SAQ). For a full representation of management systems at a site, we recommend the SAQ is completed to 100%. This report is shared with customers who are linked to this site. PLEASE NOTE! If a site has not completed their site profile you will not see any Management Controls scoring for th..

## Management controls score

United Kingdom

### My management controls performance

### How can I improve my score?

	Policy and Resources	Processes	Monitoring	Training and Improvement	Average Pillar Score	
Labour standards	2.1	0.9	1.4	2.9	1.8	Labour standards
Health & safety	3.8	1.5	4.2	3.9	3.4	Health & safety
Business ethics	5.0	2.7	0.0	2.0	2.4	Business ethics
Environment	5.0	3.2	3.1	5.0	4.1	Environment
Supplier management	1.7	1.5	0.6	0.3	1.0	<b>E-Learning: Social responsibility management systems</b>

Score 0.0 5.0 High scores show strong systems are in place and low scores show where improvement is needed.
